GOING FORWARD

Dear Friends in Christ:

It is now possible for us to worship and to gather for receptions and meetings, and gatherings such as coffee hour and lemonade on the lawn without capacity limited or other public health restrictions. Please feel welcome to wear a mask, sanitize your hands, and keep a distance at your discretion.

The Sacrament is delivered in one kind at the rail.

The offering plate is available at the door of the Cathedral during the Sung Eucharist and after.

It is my intention to resume administering the common cup at the Eucharist in the Cathedral and All Souls Chapel. I assure you that, to the best of my knowledge based on Science and Experience, that there is no evidence of transfer of any disease through the Common Cup since the restoration of the Common Cup in the Reformation in 1549. Each Sunday and Weekday since then the clergy have continued to drink the remaining wine after the reception of the Sacrament. And the Actuarial Tables of the insurance industry do not suggest an overly unusual number of clerical illness or death because of this. And I have not experienced in my years of ordination since 1983 any illness related to my consumption of the wine after the Communion. This has been the experience of clergy and lay people of the whole Anglican Communion of over 70 million people. The withdrawal was due to an overabundance of caution in 2020. The Covid-19 pandemic has sadly instilled fear of the Common Cup with no reason.

When this restoration of the Common Cup occurs and the cup is offered, and you choose not to receive the wine, I ask that you fold your arms and remain at the rail to hear the words of administration.
