The Nursery

At the 10:00 a.m. Eucharist, a qualified child care provider will be delighted to welcome any younger children in the nursery downstairs beside the Sunday School room. The Nursery is available throughout the year.

Sincere Thanks

We are most grateful to the generous parishioners who have provided a significant number of nice new toys for the youngest children of our church family. We feel that we now have enough new toys to add to what was still on hand and in good condition in the church nursery. Thank you for adding to their happiness.

AUGUST 28th AUGUSTINE, BISHOP AND DOCTOR was an early Christian theologian and philosopher whose writings influenced the development of Western Christianity and Western philosophy. He was the bishop of Hippo, located in Numidia (a Roman province of Africa). He is viewed as one of the most important Church Fathers in Western Christianity for his writings in the Patristic Era. Among his most important works are *City of God* and *Confessions*.

According to his contemporary, Jerome, Augustine “established anew the ancient Faith.” In his early years, he was heavily influenced by Manichaeism and afterward by the Neo-Platonism of Plotinus. After his baptism and conversion to Christianity in 387, Augustine developed his own approach to philosophy and theology accommodating a variety of methods and perspectives. Believing that the grace of Christ was indispensable to human freedom, he helped formulate the doctrine of original sin and made seminal contributions to the development of just war theory.

When the Western Roman Empire began to disintegrate, Augustine developed the concept of the Catholic Church as a spiritual City of God, distinct from the material Earthly City. His thoughts profoundly influenced the medieval worldview. The segment of the Church that adhered to the concept of the Trinity as defined by the Council of Nicaea and the Council of Constantinople closely identified with Augustine’s City of God.

In the Roman Catholic Church and the Anglican Communion, he is regarded as a saint, and a preeminent Doctor of the Church.
