If you choose not to receive the wine, please fold your arms and remain at the rail to hear the words of administration. If the rail is full to the middle, please go as far to the left as possible before you kneel so that others will not have to walk over your legs.

JUNE 11th BARNABAS THE APOSTLE (whose Christian name means *son of consolation*), was an early Christian, one of the prominent Christian disciples in Jerusalem. According to Acts 4:36, Barnabas was a Cypriot Jew. Barnabas is usually identified as the cousin of Mark the Evangelist on the basis of Colossians 4:10.

Named an apostle in Acts 14:14, he and Paul the Apostle undertook missionary journeys together and defended Gentile converts against the Judaizers. They travelled together making more converts (c 45-47) and participated in the Council of Jerusalem c 50). Barnabas and Paul successfully evangelized among the “God-fearing” Gentiles who attended synagogues in various Hellenized cities of Anatolia, in what is now Turkey.

Barnabas’ story appears in the Acts of the Apostles, and Paul mentions him in some of his epistles. Tertullian named him as the author of the Epistle to the Hebrews.

Although the date, place, and circumstances of his death are historically unverifiable, Christian tradition holds that Barnabas was martyred at Salamis, Cyprus in 61 AD. He is traditionally identified as the founder of the Cypriot Church.

This year the observance of St Barnabas’ Day is transferred from its usual date of June 11th and will be observed on Tuesday June 13th.
